## Digital Loyalty Card Guide

We're excited to introduce a new way to access your Happiness Club account! All customers now have the option to set up a digital loyalty card for The Happiness Club. A digital card introduces an alternative method to access your account, rather than providing your phone number at the register. Digital loyalty cards are completely optional, and you can continue to use your phone number when shopping.

### Setting up your digital Happiness Club card is an easy 2 step process.

#### Step 1) Join The Happiness Club

If you are a member already, you can skip this step. If you aren't a member, you can join The Happiness Club by asking our counter team in-store, visiting [hillstreetgrocer.com/happiness](http://hillstreetgrocer.com/happiness), or scanning the QR code below.
