Just a reminder that Hill Street stores will be closing the doors **Wednesday 25 Decemeber** (some stores *Thursday 26 December*) to enjoy Christmas and time with family, so this will mean we're not here for all your everyday essentials - so please don't forget anything!

All stores will be open and trading as per usual from Friday 27 December.

If you are already waiting in line and have forgotten something, just catch one of our helpful floor staff. They will get you whatever you want, and you won't lose your spot!

Please visit [hillstreetgrocer.com](https://www.hillstreetgrocer.com) for store trading hours during the holiday period.
